

Dear Prospective Sponsor:

I am writing with the hope that you would consider financial sponsorship or donation. This Torino Project will broadcast the Winter Paralympics via the **Internet, Cellular Phones, iPods, PSP's**, and other media devices. **Viral Video Distribution Networks** are currently being set-up by State of Grace Productions. Participants are asked to join the Torino Team and spread the email and videos to members of their distribution list, and to link us to their websites. Each day from Torino, short video broadcasts will be posted on video distribution sites such as **vsocial, ourmedia, feedburner**, and many more. Your company will have a tremendous amount of potential exposure through this project. We will also produce a feature documentary about the Paralympics and athletes with disabilities. Media coverage is critical for the growth of disability sports and all of the participants. Your company will benefit in some of the following ways;

- First Corporate Sponsor Of Broadcasting The Paralympics To The American Public
- You Will Be A **Pioneer For The Paralympics**
- Internet Exposure To A Market Of **Over 56 Million** People With Disabilities in America
- Market Exposure To **Over 600 Million** People With Disabilities Worldwide

State of Grace Productions has a team of advocates from the disability community supporting our efforts, including, Duncan Wyeth, the Executive Director of the Michigan Commission on Disability Concerns. He is encouraging our efforts and has arranged for Press Passes, and introductory meetings with members of the IPC (International Paralympic Committee) in Italy, also Tony Filippis Sr., founder of the Athletes with Disabilities Hall of Fame, and others. It is our sincere hope that our efforts will help strengthen disability sports in America. This trip can only take place once we have secured the necessary funds for travel and filming expenses. We need to secure financial sponsors in order to obtain our goal. Any excess funding will be used for editing costs related to the documentary. Funding in excess of editing costs will be used for **programs for the disabled sports community**. Thank you very much; your sponsorship or contribution is greatly appreciated.

Sincerely,

Meghann Mealbach

Meghann Mealbach
President
State of Grace Productions

Corporate Sponsorship Opportunities:

Torino Paralympics 2006 and *Beijing Paralympics 2008*

The following are corporate sponsorship levels to help support State of Grace Productions film and media awareness project of the Paralympics. The goal is to film the events, produce **daily internet broadcasts**, and produce a **documentary** about the Paralympics to increase media coverage for the athletes that compete, and for the disability community as a whole.

The American market has over **56 million people** with disabilities.

To Whom It May Concern:

This letter is in reference to our organization's ongoing partnership with Meghann Mealbach and her creative endeavors. Since meeting Meghann in early 2004, she has become one of our biggest supporters and marketing gurus throughout the state of Michigan.

The Athletes with Disabilities Hall of Fame was created in 1999 by Tony Filippis, Sr. of Wright & Filippis to honor Michigan's athletes with disabilities for their athletic achievements and their community service. Meghann's enthusiasm for our mission statement and our current programs has been an incredible promotional force to helping us increase our market visibility.

One of the highlights of this past year was having Meghann produce a documentary on the founder of the Hall of Fame, Tony Filippis, Sr. In addition to working on the film for over a year, Meghann was instrumental in coordinating the premiere in addition to helping to implement an Ability Awareness Expo during the day of the premiere. The Expo was targeted to local school children, both disabled and able-bodied, to encourage them to get involved in sports and recreation programs within their communities. The Expo also helped to teach young children the importance of sports and recreation in the healing and living process.

Throughout our organization's partnership with Meghann Mealbach we have been on the receiving end of a multitude of creative talent and enthusiasm that has benefited us beyond measure. We look forward to Meghann's future projects and hope that we will continue to be part of her goals and we support her dreams and aspirations.

Regards,

Maria Vitto
Executive Director

/msv

MISSION STATEMENT

The Hall of Fame's mission is to honor Michigan's athletes with disabilities who have demonstrated achievement in sports and are positive role models in the community, as well as to educate the public about sports for the disabled.
